Communications

Notes to take home are not used in BYB. Verbal communication occurs during rehearsals to both students and when available, to parents/carers.

The main method is electronic via email, our facebook page and the “What’s On” page of our website. Phone communication in a more urgent situation is also used.

Members/parents/carers are asked to “like” to our facebook page and to check the website page regularly. In the case of minors, electronic communications will be to the parent/carer unless there is a specific request to communicate directly to the minor member as well.

Our Mission Statement is viewable on the home page of our website -
